**South Suburban Encourages Residents to explore the District's Treasures**  
**with Free "Discover South Suburban" Program**

Have fun and fight boredom this summer by joining South Suburban's free "Discover South Suburban" challenge, and explore the treasures of the District. South Suburban Park and Recreation District invites residents to experience its many offerings by registering for the "Discover South Suburban" program, designed to encourage families to complete a variety of fun activities to keep active and healthy.

The free program runs June 15-Aug. 15, and each registration includes eight coupons to a variety of South Suburban activities.

Activities include visiting South Suburban parks and outdoor swimming pools, improving your swing on the driving range, attending free walk concerts and more! Complete at least 15 of the activities and be entered into a drawing to win a variety of prizes, including a 15-punch admission pass, 18 holes of golf for two, a 30 minute massage and additional prizes from our great partners' Denver B-Cycle, South Metro Max Muscle and Fit to Smile Dental.

The family that completes the most activities will win a 6 month household recreation pass (valued at nearly \$600).

To get started, register at [www.sspr.org](http://www.sspr.org) or call 303-347-5999, and pick up your Discover South Suburban treasure map beginning June 11, by visiting one of the following locations:

- South Suburban's Buck, Goodson, Lone Tree or Sheridan recreation centers
- South Suburban's Cook Creek, Franklin, Harlow or Holly Outdoor Pools
- South Suburban Ice Arena
- South Suburban's Family Sports Center

Discover all the affordable, close to home treasures available at South Suburban. For more information, visit [www.ssprd.org/discover-south-suburban](http://www.ssprd.org/discover-south-suburban)
