South Suburban's Colorado Journey Mini Golf gets new Playing Surface

A new playing surface is currently being installed on both courses at South Suburban's Colorado Journey Mini Golf at Cornerstone Park.

Although the new turf won't guarantee a better golf score, patrons will enjoy smooth greens, void of uneven wear and tear. South Suburban hired Miracle Flooring of Littleton to replace the greens on 36 holes, plus the facility's putting green. Each hole is measured, and the new turf is hand-cut to specifications.

Colorado Journey features famous Colorado landmarks, and is open Mon. – Thurs., from 12 – 9 pm, and weekends 10 am – 9 pm through May. Beginning June 1, the facility is open daily, 10 am to 10 pm, weather permitting. The venue is a great spot for birthday parties, group gatherings and fundraising events.

Colorado Journey is located in Cornerstone Park on the corner of W. Belleview Ave., and S. Windermere St. For more information, visit www.sspr.org, or call 303-734-1083.
