**Enjoy and Explore Unique Temporary Exhibits of Local Artists in November at Four South Suburban Facilities**

In November, explore temporary art exhibitions by local artists at South Suburban's Goodson, Lone Tree, and Buck recreation centers and at Lone Tree Golf Club & Hotel.

Cathy Lester is exhibiting her works November 2-30 at Goodson Recreation Center, 6315 S. University Blvd., Centennial, 303.798.2476. Whether you are looking at Cathy's dazzling watercolors or precise pencil work, her love of animal subjects is obvious. She strives to display in her work each animal's spirit and uniqueness and hopes animal lovers will see the same.

Matt Hamer is showing his unique clay wall hangings November 2-30 at Douglas H. Buck Recreation Center, 2004 W. Powers, Littleton, 303.797.8787. Matt has been creating pottery hangings in the South Suburban pottery studio since his stroke several years ago. Creating these pieces was instrumental in his rehabilitation. He has been an inspiration and trusted friend to other potters in the studio.

Darlene Kuhne describes herself as "an abstract expressionist color-field painter – creating acrylic and mixed media paintings ...always changing and evolving." Her work is on display November 2-30 at Lone Tree Recreation Center, 10249 Ridgeway Circle, Lone Tree, 303.708.9500.

Richard Long is a watercolor portrait artist who works with masking tape on watercolor paper. His work is displayed at Lone Tree Golf Club & Hotel, 9808 Sunningdale Blvd., Lone Tree, 303.790.0202 until January 4, 2016. Explore his unique watercolor portraits of characters from the Wizard of Oz, sports figures, the Beatles, Albert Einstein, Mickey and Minnie and many others.

South Suburban's Public Art Committee encourages Colorado artists to submit an application and fill out a questionnaire to display their artwork on a temporary basis at various South Suburban recreation facilities. For a complete list of guidelines and an art exhibition application, please visit [ssprd.org](http://ssprd.org) or contact Darcie LaScala at 303.483.7072.
