Enjoy Local Artists' Exhibits at South Suburban in July

South Suburban Parks and Recreation's Goodson Recreation Center and Lone Tree Golf Club & Hotel feature temporary art exhibitions by local artists.

Rosanne Juergens is exhibiting her photographs titled "The Gritty and the Pretty" July 1-31 at Goodson Recreation Center, 6615 S. University Blvd., Centennial. Her exhibit represents both beautiful landscapes, along with the contrasting images of weight room equipment. Rosanne likes the juxtaposition of contrasting color and subject matter in this exhibit as well as the relationship between the two - getting out into the natural world propelled by stronger muscles developed at the gym.

Shel Spiegleman's photographs of foreign spots all over the globe will delight you and pull you into their exotic locations. Take a short vacation across the world and see these beautiful photos, which runs through the end of August at Lone Tree Golf Club & Hotel at 9808 Sunningdale Blvd., Lone Tree. While you are there enjoy a beverage, dessert, breakfast, lunch or dinner at the Lone Tree Grill. Its mountain and golf course views are spectacular from their patio.

South Suburban's Public Art Committee encourages Colorado artists to submit an application to display their artwork on a temporary basis at various South Suburban recreation facilities. For a complete list of guidelines and an art exhibition application, please visit ssprd.org or contact Darcie LaScala at 303-483-7072.
