This application is to obtain a permit for photography/videography at a South Suburban facility. For photography/videography permits at a South Suburban park, please email parkpermits@ssprd.org or call 303.953.7644.

South Suburban Park and Recreation District (SSPRD) does not charge for allowing photography and filming within its facilities, but a facility rental fee may apply. SSPRD does require professionals to work within the requested guidelines to protect the safety and privacy of the public. The rules and regulations below are the procedures and requirements for filming and photography within a South Suburban facility. These rules apply to any filming or photography. If simply taking a snapshot for personal use, no permission is required.

VIOLATION OF ANY OF THE PERMIT CONDITIONS MAY RESULT IN IMMEDIATE REVOCATION AND/OR FORFEITURE OF USE PERMIT AND FEE.

1. Permittee agrees to comply with all applicable rules, regulations, and policies of South Suburban. Any misuse may result in cancellation of this agreement. The applicant will be responsible for his/her own actions and the actions of the parties represented as a result of this permit.
2. No commercial concessions shall be operated or charged or donation request of any kind be made of the public on the premises. Programs, circulars, pamphlets, handbills, etc. shall not be sold or given away or contain any advertising without prior SSPRD approval.
3. If additional security or traffic control measures are required, SSPRD will not assume any financial responsibility but may assist with coordination functions and arrangements.
4. Destruction, damage or removal of any vegetation, or defacement of SSPRD property is prohibited.
5. Disorderly conduct and/or abusive language are prohibited.
6. Any machine or device for the purpose of amplification of human voice, music or any other sound is prohibited without the express written consent of the SSPRD. Parks within the City of Littleton require a permit from the City of Littleton in compliance with the noise ordinance. Permittee is responsible to obtain any municipal or county permits regarding amplified sound.
7. If filming/photography will or may capture the general public (anyone not directly involved in the shoot), appropriate notices must be displayed in all areas where filming will take place. If notices are not displayed, all faces and likenesses are to be blurred by the photographer/videographer. Children under the age of 18 cannot be filmed without the written permission of their parent or legal guardian. Copies of all consent forms must be provided to SSPRD.
8. A copy of this permit must be in the possession of the applicant or designated representative and shown to SSPRD personnel upon request.
9. SSPRD parks and facilities are patrolled by local law enforcement agencies and all other applicable rules and regulations to include state statutes, county laws or city ordinances will be enforced.
10. Depending on the nature of the use authorized under this Permit, SSPRD reserves the right to impose additional conditions, regulations and/or restrictions.
11. SSPRD and its employees will not discriminate on the basis of race, color, religion, national origin, sex, age veteran status or disability. South Suburban prohibits discrimination based on disability for any individual or group permitted to use SSPRD facilities or properties.

I have read and fully agree with and accept all responsibility for the terms and conditions of this permit.
