

TOM WOOD: Candidate for SSPRD Board of Directors

Tell us why you're interested in becoming a candidate for the Board:

I want to be a Board member for SSPRD because I know that I can make a difference! New Bonds and lot of funds have been raised recently for major multi-year building efforts and I think that someone with my specific background and experience can really help. I was directly involved in the SSPRD Master Planning efforts for the last several years and want to see it done right.

Work/Career: 38 years of engineering & construction experience, with over 20 years of local work on municipal infrastructure projects (including rebuilding of major parks in downtown Denver.) I have personally managed over \$200M in construction work with responsibility for finances, budget, schedule, engineering, cost and quality reviews. BS/MS degrees from Penn State in Geology & Mineral Engineering.

Board/commission/committee experience: Senior member and past Chairman of the City of Centennial Open Space Advisory Board; Member SSPRD Master Planning Community Advisory Committee 2017; Member SSPRD Gold Medal Planning Committee for Parks & Trails; Member Arapahoe County Water & Wastewater Board; City of Centennial Board of Adjustment member, HOA Board member for 18 yrs.

Past and current service to volunteer organizations: Previous roles as a Soccer & Lacrosse coach; 10 years as a 'Band Parent' for Arapahoe High School; YMCA leadership volunteer for 6 years; Local HOA Board member; HOA Board member for a major ski resort; Citizens Emergency Response Trained neighborhood volunteer; Centennial 101 graduate; Transportation Alliance Citizens Academy graduate.

Recreation interests: I love to hike the SSPRD open space and trails thru the green belts of Littleton and Centennial, as well as sections of the Highline Canal. I also enjoy fishing & kayaking on the South Platte River and parts of Cherry Creek Reservoir. Other interests include local outdoor activities with my kids and grandkids.

Personal life: Married with 3 kids - all graduated Arapahoe HS and Colorado State Univ.

Current city of Residence: City of Centennial – I live near the SSPRD greenbelt & trails

Number of years you've been a resident of the District: Since 1997 (over 20 years.)
